# 22nd Canadian National Kendo Championships

CANADIAN NATIONAL KENDO CHAMPIONSHIPS

## Your support means the world

We are excited to host the 22nd Canadian National Kendo Championships on August 8-9, 2026, at the BCIT campus in Burnaby, British Columbia. Held once every three years, the Championships represent the highest level of kendo competition in Canada and serve as a key milestone on the road to the World Kendo Championships, which will be hosted by Japan at the Nippon Budokan in Tokyo in May 2027.

The Championships will bring together athletes, coaches, officials, and supporters from across Canada to celebrate excellence in sport and the enduring spirit of Japanese Bushido. Support for this event helps create a memorable experience for participants while strengthening the kendo community across the country.
